Rocket Appreciation

Rocket Appreciation Night is Friday, September 10th at the high school. All rocket kids and coaches will get into the high school game for free. We do have activities before the game starts and we do build a tunnel with all the divisions for the varsity team to run through. We also announce all the teams at half time show and the kids will be part of the half time presentation.

Concession Stand Duty

All the Rocket home games are at the High School. Flag is also at the high school this year. We are required to help the Athletic Boosters with concession stand duty. All teams are required to help with concession including rocket, flag, and cheer. Once the league schedule is out, we will schedule concession assignment. In general, we will not schedule a team to every help during their game.

Sponsors

We want to thank all our local sponsors who support Parchment Rocket Football. We will announce sponsors soon and assign to teams.
