Parchment Rocket Football is a youth organization comprised of over 100 children, ages 5 to 12, kindergarten to 6th grade. We offer flag for 5 year olds through 2nd grade and tackle for 3rd through 6th grade.

Any donation amount helps!

The league operates at a non-profit level. All monies from the registration fees go back to the paying the referees, jersey costs and insurance on all players. We are in need of offering scholarships for those that can't afford the registration fee. The fees for 2026 are \$90 for tackle and \$70 for flag.
